“Scholarship for Academic Excellence” Challenge

The Class of '59 led the way in establishing the first Scholarship for Academic Excellence and has issued a challenge to all other classes to follow their example. They raised \$20,000 from among themselves and worked with me to design a \$1,000 annual scholarship.

If your classmates would like to stand up to this challenge, please email me your class year of graduation and contact information. Then, to better understand what is being attempted, I will send you a draft scholarship for you to share with your classmates. Donors from your class would send their tax-deductible donations directly to the school district, Attn: Business Office, and I will provide a letter of acknowledgement both in appreciation for the donation and for tax reporting purposes. Scholarship money is kept in a school district trust fund designated for this purpose and interest accrues to each respective scholarship account.

The D.C. Everest High School holds an annual Awards Night in May at which scholarship recipients are formally acknowledged. If you wish to have someone from your class make the presentation at Award Night, we will be happy to oblige.

If you are up to the challenge, click [YES, WE CAN DO IT!](#)

Sincerely,

Thomas R. Owens, Ph.D.
