RE: Food Service Recommendations

DATE: April 21, 2011

With the enactment of the Healthy, Hunger-Free Kids Act of 2010, there will be a large number of significant changes and requirements of school lunch programs across the country. In an effort to stay ahead of the game, the following recommendations are being presented:

Recommendation #1

- Increase current breakfast costs \$.15 from \$.85 to \$1.00 (There will continue to be no charge for breakfast for fee and reduced students).
- Increase lunch prices by \$.10 which would raise elementary prices from \$1.20 to \$1.30, Middle and Jr. High from \$1.35 to \$1.45, and the Senior High School from \$1.40 to \$1.50.
- Increase adult meals to \$3.00.
- Increase milk from \$.30 per carton to \$.35.

NOTE: The reduced meal price for students at all levels will remain at \$.40.

Recommendation #2

In an effort to meet the needs of the new Healthy, Hunger-Free Kids Act of 2010, we recommend the hiring of a part-time nutrition specialist at a projected cost of \$12,253. This position would provide supporting and maintaining the food service nutrition database, inventory control, and school site visits. This position will be fully funded through the food service budget.

Attached is a copy of the comparative costs of school lunches in our area. You will see that the Everest School District has done a very good job in keeping school lunch costs as low as possible.
