From: Superintendent Kristine Gilmore, Ed.D.  
Subject: Superintendent's Report – January 2011

- We The People: The Citizen and the Constitution event (see attached memo).
- Results from the recent DECA District Career Development Conference are attached.
- Donation to Middle School by Fresh King Company of Florida (FKC) – Dallas Rennie, FACE teacher, contacted FKC about a “bad” coconut she purchased for a taste test lab last year to let them know what happened. One of the partners works with districts to promote healthy eating habits and they sent her 900 star fruits, 60 mangos, 30 pounds of French beans and baby squash carrots. The star fruit was donated to food services and it was served to all students, which is something the district would not normally be able to afford. FKC also sent enough t-shirts for food service and some students and administrators. Ms. Rennie and FKC are working on Ugli fruit for next month and the 6<sup>th</sup> grade FACE at the middle school will act as lunch ambassadors to promote trying new healthy fruits and vegetables.
- D.C. Everest Oral History Project recognized (see attached memo).
