RE: Sale of District Property Options

DATE: January 20, 2012

The Easton School Property has been re-bid due to an error in the calculated acreage on the survey. The closing date to turn bids in for that property is January 31, 2012. We received two initial bids and both parties have chosen to let their bid ride and asked us to include them in the re-bid process. Bid opening for Easton is rescheduled for January 31, 2012 at 2:00 pm. We received a full refund of \$2,000 from CWE for the survey error and they corrected the documents at no charge for the second round of bidding.

We received two bids for the Schofield Elementary Property. The amounts of the bids are below:

Bid #1 \$30,000

Bid #2 \$15,250

Options

1. Accept the bid of your choosing
2. Reject all bids
3. Re-bid
4. Hold an auction with a minimum bid required (may be fees)
5. Hold the property and put it for bids at a later time
6. List with a realtor
7. Other options as the board chooses

The board is asked to choose one or more of the options above to provide the administration with directions to proceed.
