Subject: Naming of Steffenhagen Field
Date: 5/23/11

The board is asked to approve naming the football field at Stiehm Stadium Steffenhagen Field to honor recently retired varsity football coach, Wayne Steffenhagen. Wayne served as head coach of the district's football program for 33 years. During those years his services extended well beyond that of a head coach and he left a legacy of success for the football program.

The district will honor Wayne at a formal naming ceremony of Steffenhagen Field during a home football game this fall.
