Dear Drama Club:

My Mother, Jean Childs, was always taking her grandchild on what we called a "Grandma Adventure" to experience many different things. One of her favorite types of adventures was the Senior High plays, which she loved, and helped teach them to appreciate the arts.

Enclosed you will find a check for \$250 from her Estate and the completed Gifts and Bequests Form. Please use this donation during the upcoming school year, 2009/2010, for costumes and props at the Senior High plays.

Thank you,
