

INSTRUCTION

Student Assistants

Secondary

The principal of each school formulates with the subject area curriculum coordinator specific guidelines, duties, and expectations governing student assistants.

The Student Curriculum Planning Guide will list the description for a student assistant by subject areas. Students will receive one-half credit for satisfactorily completing one year of service. The grade received by the student for his/her services is left to the discretion of the supervising instructor.

The selection process for student assistants is left to the discretion of the curriculum coordinator and department members and may include the following:

- A. Grade level
- B. Class load
- C. Grades
- D. Time allocation
- E. Ability to get along with others
- F. Reliability
- G. Interest in area as a vocation
- H. Recommendation by guidance or other staff members
