PRINCIPALLY SPEAKING

How Can I Help My Child's School?

As everyone is aware, budgets are tight and getting tighter. As schools struggle to cut funds from various departments, we will depend more and more upon programs such as those listed below to fund activities and buy materials for kids. Please consider registering Evergreen as your beneficiary of choice at Pick-n-Save, Target, and Best Buy. Also please glance over the items we collect in our lobby that help us earn funds for student-related activities and materials.

 **We're Helping the Ronald McDonald House!** 

One of our Evergreen 3rd Graders, Kyle Pagel, has been undergoing treatment for neuroblastoma for the past year. Last year, we were able to help Kyle and his family out with our Pinwheels for Kyle campaign. It was a huge success! This year, we'd like to help again.

During some of his treatments, Kyle and his family have been fortunate to be able to stay at the Ronald McDonald House in Marshfield and Minneapolis. The Ronald McDonald Charities collect pop can tabs for recycling. Why just the tabs? It's cleaner and easier to store. While it does vary by Chapter, RMHC Upper Midwest raises approximately \$30,000 a year through their pop tab program. Now that is a lot of pop tabs! Did you ever think it could be so easy to help families in need?

We would like to encourage all of our Evergreen families to start saving these tabs and bring them to school. Tell your extended family to start saving, too! It's the least we can do to show our appreciation for all that The Ronald McDonald House has done for Kyle and his family.

 **DON'T FORGET TO SCHEDULE YOUR PARENT/TEACHER CONFERENCE** 

November 17 (Thursday) 4:20 pm – 7:55 pm	November 21 (Monday) 4:20 pm – 7:55 pm	November 23 (Wednesday) 8:00 am – 12:35 pm
--	--	--

This year we will again be using an online Parent-Teacher Conference Scheduling Program for scheduling conferences. A parent, using any computer with online access, can do scheduling **starting at 6:00 a.m. on November 2 through midnight November 16**. A letter with a username and password along with the web address will be sent to all primary custodial parents enabling them to complete the registration. A link has also been added to the Evergreen website www.dce.k12.wi.us/evergreen. Any changes after November 16 must be done by calling the office secretary. We are excited about the on-line program, because it gives you direct access for real-time scheduling at your convenience. With this program, you will know your conference times immediately and be able to change appointments if necessary. **THIS IS A FIRST-COME, FIRST-SERVE** process, and conference times will fill up fast.

If you don't have computer access, a computer will be available in the Evergreen IMC for your use. If you have problems scheduling your conference, call **Amy Jaglinski in the school office (715-359-6591, ext. 5221)**.

**DAYLIGHT SAVINGS TIME ENDS AT 2AM
ON SUNDAY, NOVEMBER 6TH!**
Don't forget to turn your clocks back 1 hour.
**This is also a good time to change the batteries
in your smoke alarms.**

 **PEW...something new in the gym** 

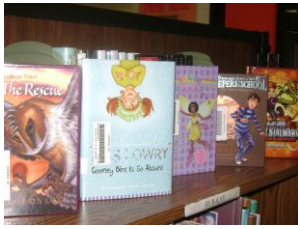

New to the walls of Evergreen gym.....Physical Education Words (P.E.W.). Next time you are in the gym you will notice each letter of the alphabet is hanging on the wall. As the school year goes on, words will be placed below each letter. With each new unit, students will brainstorm words pertaining to the unit. Students will continue to add words to the word wall as they learn new skills and components of the unit being taught. The word wall is part of a goal to integrate literacy into the physical education curriculum. As the school year goes on, ask your students about P.E.W.

Matt Berndt, parent of Chloe and volunteer at Kronenwetter Fire Department, visited his daughter's classroom while she was Star Student on Friday, October 14.

EVERGREEN LIBRARY EVENTS

1st Reader Raffle:

What is a 1st Reader Raffle? It's when a student can be the 1st student to check out a NEW BOOK. The week of October 3rd close to 500 NEW BOOKS were

on display in the library for students and staff to look over, but they could not be checked out. Students were told that they could qualify to check out a new book of their choice by returning ALL their checked out books before their library class time the next week. This encourages our students to be responsible by returning their books on time. This last week, the names of two boys and two girls were drawn in each class as they came to library. Those students “won the HONOR” of being the first students in their classroom to check out a NEW BOOK. And here is the list of those students:

Kindergarteners: Mrs. McFarlane – Paris R., Jessica M., Amphol X., & Brayden F., Mrs. Schreiber – Jace F., Braxton W., Sophie C., & Phoebe R., Mrs. Sirianni – Nevaeh M., Alivia S., Corbin Z., & John R., Mrs. Wodalski – Madalyn H., Lilliana J., Bryce T., & Jordan B.

Congratulations to all our 1st Reader Raffle winners. I know they all enjoyed reading the new books they checked out. A reminder to all students to be responsible library users -- return all your library books on time this week so that you can check out a new book to read and share with your family.

SCHOOL-WIDE READING PROGRAM

“READING IS OUT OF THIS WORLD”

October 1st was the start of our school-wide reading program -- “Reading is Out of this World”, and the program runs through March 2012. Classroom teachers have set monthly reading goals for their students, and if students meet their goal they will be rewarded with the monthly prize from the Evergreen Library. If they meet their goal all six months, they will be rewarded with a paperback book autographed to them by Librarian Mrs. Neville. Reading IS out of this world!

NOTIFICATION OF ASBESTOS

Since the summer of 1988, when the D.C. Everest Area School District completed a comprehensive inspection of district buildings to determine the presence of asbestos containing material, initiatives to eliminate and control the presence of asbestos have been implemented. Some amounts of asbestos containing material remain in district buildings. District personnel periodically re-inspect the buildings and prepare reports to identify the specific location and amount of asbestos and to detail response action. During the summer of 2009, NorthStar Environmental Testing conducted a three-year inspection. The district received the updated report.

An Asbestos Management Plan is on file and available for inspection in the Principal's Office of each school. The management plans for all schools are available for inspection in the office of Jeff Belott, 6500 Alderson Street, Weston, Wisconsin 54476. Phone (715) 359-4221, Ext. 4103.
