# BOOK BUG CLUB

As your child brings home library books we would like to introduce you and them to the Riverside Reading Program, also known as the Book Bug Club. The reading program is designed to encourage students in grades K-5 to increase their independent reading. The program is built around simple record keeping. The following guidelines are to be followed:

1. The child reads a book. Books can come from home, school, the public library, anywhere.
2. The title is recorded on the blue Book Bug sheet.
3. For longer books (chapter books), every 25 page segment may be counted as one book.
4. Younger children may include books that have been read to them.
5. Sheets must be signed by a parent or guardian to verify the successful completion of reading the book.
6. Completed sheets are to be turned into the teacher and new blank sheets will be made available. Also, a PDF can be found on the Riverside IMC webpage, under the Book Bugs tab.
7. The reading lists and totals will follow the student throughout his/her years at Riverside.
8. All record keeping will be handled by the IMC.
9. At various levels of reading involvement students will receive the following recognition for their participation:

ALL LEVELS	NAME IN RIVERSIDE REPORT
25 BOOKS	CERTIFICATE
50 BOOKS	SUPER READER PENCIL
100 BOOKS	BOOK BAG/BUTTON
