Acoustical Tile Project Wish List

In our very large open space, we need to create some acoustical panels to help diminish and buffer the transmission of sound. Randy Verhasselt from Evolutions in Design has graciously agreed to be a design consultant for our school.

He has a very creative and fairly economical project to decrease the noise factor and add some style and interest to our room. **Hatley Lumber and Supply would be a great contact for the insulation. Try Walmart for the other supplies.** They can donate to our 501c3 nonprofit when it is established and will also be recognized as our business partner on our web and Facebook page. A sign will be on the wall acknowledging their donations.

20 sheets of 1X4X8 foam insulation board

120 yards of polyester baton

120 yards of fabric 3-5 coordinated fabrics to match our chair colors

5 hot glue guns

1000 large upholstery pins

100 long-shank eye hooks

100 yards of floral wire

Use of scaffolding on wheels to install panels

Color our World Project Wish List

Randy Verhasselt from Evolutions in Design has graciously agreed to be a design consultant for our school. He has given us some simple, but effect ideas for wall treatments. Approach **Lindsey Hallman and Sherwin Williams** for this project. They can donate to our 501c3 nonprofit when it is established and will also be recognized as our business partner on our web and Facebook page. A sign will be on the wall acknowledging their donations.

We need between 25-30 gallons of paint although we won't cover every inch of the main room.

6 gallons each of the blue, green, orange chair colors

4 gallons of the yellow chair color

2 gallons of black chalk board paint

1 quart each shades of gray chalk board paint

1 each 6', 8' 10' ladders

10 rolls of painters tape

Assorted brushes, rollers, roller covers, roller pans, disposable pan liners, drop cloths

Thank You

Outdoor Seating and Table Wish List

We have some excellent outdoor space and would like to take advantage of using that space for classroom space when appropriate as well as outdoor dining in the spring and fall. Wausau Tile, Schuette Metals and Applied Laser produce assorted outdoor furniture and benches. They can donate to our 501c3 nonprofit when it is established and will also be recognized as our business partner on our web and Facebook page. A sign will be on the pieces acknowledging their donations.

5 concrete tables with benches

Two metal benches for our front door with Idea cut-in would be awesome.

4-6 Additional benches

Metal bike stand for students to lock up their bikes

Thank You

Make Your Own Kind of Music Wish List

As our students take advantage of music opportunities at Idea Charter School, there are items that will need to be available for that music instruction to occur. **Jerry's Music** may be a good source for some of the items below. They can donate to our 501c3 nonprofit when it is established and will also be recognized as our business partner on our web and Facebook page.

Music Stands (15)

Drum Set – Percussion instruments

Acoustic Piano (not electric)

Gift Card to purchase music

Other instruments in good working condition

Thank You
